## President's Notes

By PeeWee Forck

Fellow LIR Members:

Believe it or not the Holiday Season is upon us. What has happened to the year? It has gone by so quickly. Each year seems to go faster than the year before.

The year 2011 has been very successful for LIR. Our membership is up! We are now nearly 300 members strong, a sizeable increase from last year. It seems as the word gets out about our wonderful trips, clubs, and courses the membership numbers just keep rising. We have such a wonderful bunch leading all these different activities that our members keep coming back for more.

There have been several very interesting and fun-filled trips. Our Travel Committee keeps coming up with new ideas and works to make our trips as interesting, pleasant, and accommodating as possible. Some trips were repeated to accommodate the number of interested members. Remember, "If you snooze, you lose." So, book early!!

Keep posted on all the interesting courses being offered. Those this year were great and 2012 promises to be as interesting and educational. You won't know what you're missing if you don't give them a try.

Our clubs continue to prosper with great times had by all who attend. Just wish there was time to join more of them. Can't believe retirement is so time-consuming!!

Barb Swanson and Don Alberti, along with their hard working committee, are diligently planning for the 20<sup>th</sup> Anniversary of Learning in Retirement. "Honoring the Past and Embracing the Future," is the exciting theme.

In closing I will repeat what I said in my first letter in January. We have a great organization. I will try to run the meetings and keep us on the path to the future. It is your organization and your involvement will be the fuel for the future. There are so many more activities we can try and, hopefully, succeed at; if not, we can say we had fun trying. So, come on. I will lead, all you have to do is tell me which way to go!

**Have a Blessed and Wonderful Holiday Season!**

**PeeWee**
